

ALDE COMMUNITY COUNCIL 2021 – 2022 Report

The ACC is a registered charity and has submitted the annual accounts to The Charity Commission. After 50 years it continues to hold funds, is not trying to raise new money but continues to support the community in a reduced capacity.

One major reason for its continued existence is that it holds, in a separate account, money raised to support a local first responder and we still have one such gallant volunteer in Rendham, who helps with emergencies of a wide area.

Activities the ACC is supporting this year are a spring flower, a shopping bus to Norwich and Jubilee celebrations in the three villages
